

LETTER OF RECOMMENDATION

To whom it may concern

The Steering Group of the Priority Area 4 "To restore and maintain the quality of waters", made up of representatives from the Danube Region countries (nominated by their governments), has pre-examined the project

Sustainable water management of the Pinka [Acronym: AquaPinka]

in written procedure in 23 September 2019.

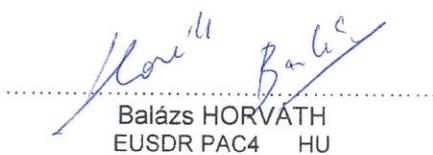

The conclusion is:

The project "Sustainable water management of the Pinka, AquaPinka" contributes to achieve the targets and goals of the relevant actions in Priority Area 4 of the EU Strategy for the Danube Region.

Hence, the Steering Group - representing the Danube countries - invites the funding sources to consider providing adequate financial support to the project.
