

## LETTER OF RECOMMENDATION

To whom it may concern

The Steering Group of the EUSDR Priority Area 4 "To restore and maintain the quality of waters", made up of representatives from the Danube Region countries (nominated by their governments), has pre-examined the project

### **LIFE LOGOS 4 WATERS**

*"Integrated application of innovative water management methods at river basin by coordination of local governments"*

in written procedure in September 2020.

The conclusion is:

The project **LIFE LOGOS 4 WATERS** "Integrated application of innovative water management methods at river basin by coordination of local governments" contributes to achieve the targets and goals of the relevant actions in Priority Area 4 of the EU Strategy for the Danube Region.

Hence, the Steering Group - representing the Danube countries - invites the relevant funding sources to consider providing adequate financial support to the project.
