

## LETTER OF RECOMMENDATION

To whom it may concern

The Steering Group of the Priority Area 4 "To restore and maintain the quality of waters", made up of representatives from the Danube Region countries (nominated by their governments), has pre-examined the project

***Strengthening Transnational Water Resilience through Integrated Management of Water Scarcity in Danube River Basin Resources under Emerging Contaminants Pressures (Acronym: Sa(f)veDROP)***

in written procedure on December 05, 2025.

The conclusion is:

The project "Strengthening Transnational Water Resilience through Integrated Management of Water Scarcity in Danube River Basin Resources under Emerging Contaminants Pressures (Acronym: Sa(f)veDROP)" contributes to achieve the targets and goals of the relevant actions in Priority Area 4 of the EU Strategy for the Danube Region.

Hence, the Steering Group - representing the Danube countries - invites the funding sources to consider providing adequate financial support to the project.
