

## LETTER OF RECOMMENDATION

To whom it may concern

The Steering Group of the EUSDR Priority Area 4 "To restore and maintain the quality of waters", made up of representatives from the Danube Region countries (nominated by their governments), has pre-examined the project

***"Strategic document and research for climate change and water industry investments in Tuzla Canton (Bosnia and Herzegovina)"***

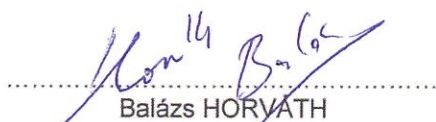

in written procedure in November 2020.

The conclusion is:

The project *"Strategic document and research for climate change and water industry investments in Tuzla Canton (Bosnia and Herzegovina)"* contributes to achieve the targets and goals of the relevant actions in Priority Area 4 of the EU Strategy for the Danube Region.

Hence, the Steering Group - representing the Danube countries - invites the relevant funding sources to consider providing adequate financial support to the project.
