EU Strategy for the Danube Region

**JOINTISZA and
DanubeSediment**

Diana Heilmann
EUSDR PA4 / Hungary

Flagship projects of PA4 funded by DTP - JOINTISZA

Basic data

- **Number of partners:** 17 (10 ERDF, 2 IPA and 5 ASPs).
- **Project Budget:** 2,254,126.80 €
- **Project Duration:** January 2017 - June 2019.
- **Project Lead Partner:** General Directorate of Water Management-Hungary (OVF)
- **Project Manager:** Mr Balázs Horváth
- **Contact Details:** jointisza@ovf.hu
- **Funded by:** INTERREG Danube Transnational Programme - European Territorial Cooperation (ETC)
- **Official website of the project:**

<http://www.interreg-danube.eu/approved-projects/jointisza>

Flagship projects of PA4 funded by DTP - JOINTISZA

Objectives

- To strengthen approaches and cooperation among the relevant actors of the river basin management planning process especially actors of flood risk prevention/flood protection sector to enhance the status of waters of the basin.

Expected deliverables

- Improved GIS database for the Tisza river and its tributaries
- Final draft of the update of the ITRBMP
- Urban Hydrology pilot action
- Training of best management on urban hydrology
- Drought and climate change pilot action
- Enhanced Stakeholder involvement, development of Public Involvement and Participation Strategy

Flagship projects of PA4 funded by DTP - JOINTISZA

Current progress

- The JOINTISZA project - Kick-off event- Open Doors was successfully organised on 1-2 March 2017 in Szentendre, Hungary.
- 11 April 2017, (Budapest, HU) - Transnational Cooperation for Sustainable River Basin Management Conference, which took place at the Budapest University of Technology and Economics (BME), Hungary: The event was organized jointly by the JOINTISZA and the DanubeSediment projects, funded by the Danube Transnational Programme. Bringing together over 80 participants from 8 Danube countries it aimed to build synergies between the projects
- 12-13 April 2017, (Budapest, HU) - 1st Meeting of the WPs, which took place at the Headquarters of the General Directorate of Water Management, in Hungary

Flagship projects of PA4 DanubeSediment

Basic data

- **Number of partners:** 28 (12 ERDF, 2 IPA, 14 ASP)
- **Project Budget:** 3,558,581,62 €
- **Project Duration:** January 2017 - June 2019.
- **Project Lead Partner:** Budapest University of Technology and Economics (Hungary)
- **Project Manager:** Barbara Kéri
- **Contact Details:** keri.barbara@epito.bme.hu
- **Funded by:** INTERREG Danube Transnational Programme - European Territorial Cooperation (ETC)
- **Official website of the project:**
<http://www.interreg-danube.eu/approved-projects/danubesediment>

Flagship projects of PA4 funded by DTP - DanubeSediment

Objectives

- to improve Water and Sediment Management as well as the morphology of the Danube River. To close existing knowledge gaps, sediment data collection will be performed providing information to the sediment data analysis and will lead to a handbook on good practices of sediment monitoring methods.

Expected deliverables/outputs

- Handbook on good practices in sediment monitoring
- Danube Sediment Balance baseline document
- Catalogue of sediment risk assessment
- Report on sediment risk assessment
- Danube Sediment Management Guidance
- Sediment Manual for Stakeholders

Flagship projects of PA4 funded by DTP - JOINTISZA

Current progress

- The DanubeSediment project - **Kick-off event** took place on March 8th and 9th, 2017 at the Budapest University of Technology and Economics (BME) in Budapest, Hungary.
- **11 April 2017, (Budapest, HU) - Transnational Cooperation for Sustainable River Basin Management Conference, which took place at the Budapest University of Technology and Economics (BME), Hungary:** The event was organized jointly by the JOINTISZA and the DanubeSediment projects, funded by the Danube Transnational Programme. Bringing together over 80 participants from 8 Danube countries it aimed to build synergies between the relevant projects.

UPCOMING JOINT EVENTS

- *Hungarian Hydrological Wanderer Assembly, 5-7 July 2017, Mosonmagyaróvár – PA4 side event focusing on DTP projects' Thematic Pole in relation to water management*
