

LETTER OF RECOMMENDATION

To whom it may concern

The Steering Group of the Priority Area 4 "To restore and maintain the quality of waters", made up of representatives from the Danube Region countries (nominated by their governments), has pre-examined the project

Danube Sediment Management – Assessment for Restoration of Sediment Balance in the Danube River Basin

at its meeting held on 08.11.2011.

The conclusion is:

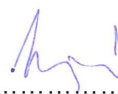

The project "*Danube Sediment Management – Assessment for Restoration of Sediment Balance in the Danube River Basin*" contributes to achieve the targets and goals of the relevant actions in Priority Area 4 of the EU Strategy for the Danube Region.

Hence, the Steering Group - representing the Danube countries - invites the funding sources to consider providing adequate financial support to the project.
