

## Third call for proposals: 1 March – 30 June 2017

### *Water management*

The aim of this factsheet is to provide further guidance on water management, one of the underrepresented topics highlighted in the third call for proposals' terms of reference.

#### **Definition**

Water management<sup>1</sup> is the activity of planning, developing, distributing and optimum use of water resources under defined water polices and regulations. It includes: water treatment, management of drinking water, industrial water, sewage or wastewater, management of water resources, management of irrigation, and management of the water table.

#### **Thematic objective(s) concerned**

Water management is tackled under the Priority Axis 4 'Protecting the environment and promoting resource efficiency'.

#### **Example of projects**

INTERREG IVC **AQUA-ADD** project
