

LETTER OF RECOMMENDATION

To whom it may concern

The Steering Group of the Priority Area 4 "To restore and maintain the quality of waters", made up of representatives from the Danube Region countries (nominated by their governments), has pre-examined the project

***Developing Good Maintenance Practices for Integrated River and Lake Management in Hungary
LIFE IP MEDER***

in its written procedure by 19.01.2018.

The conclusion is:

The project "Developing Good Maintenance Practices for Integrated River and Lake Management in Hungary LIFE IP MEDER" contributes to achieve the targets and goals of the relevant actions in Priority Area 4 of the EU Strategy for the Danube Region.

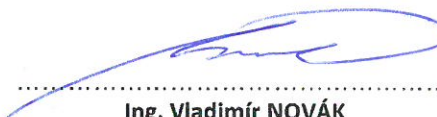

Hence, the Steering Group - representing the Danube countries - invites the funding sources to consider providing adequate financial support to the project.
