

## LETTER OF RECOMMENDATION

To whom it may concern

The Steering Group of the Priority Area 4 "To restore and maintain the quality of waters", made up of representatives from the Danube Region countries (nominated by their governments), has pre-examined the project

**Optimal strategies to retAIN and re-use water and nutrients in small agricultural catchments across different soil-climatic regions in Europe (acronym: OPTAIN)**

in its written procedure by 23/08/2019.

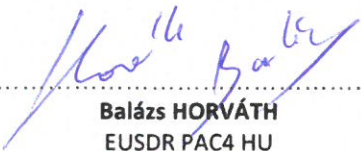

The conclusion is:

The project "*OPTimal strategies to retAIN and re-use water and nutrients in small agricultural catchments across different soil-climatic regions in Europe – OPTAIN*" contributes to achieve the targets and goals of the relevant actions in Priority Area 4 of the EU Strategy for the Danube Region.

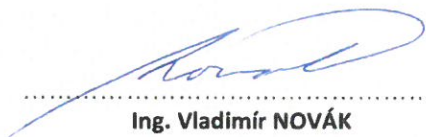

Hence, the Steering Group - representing the Danube countries - invites the funding sources to consider providing adequate financial support to the project.
