

LETTER OF RECOMMENDATION

To whom it may concern

The Steering Group of the Priority Area 4 "To restore and maintain the quality of waters" of the EU Strategy for the Danube Region, made up of representatives from the Danube Region countries (nominated by their governments), has pre-examined the project

Environmental Assessment for Natural Resources Revitalization in Sopotvyno with an overarching view to preventing the further pollution of the Upper-Tisza Basin through the preparation of a complex monitoring system
acronym: REVITAL I

in written procedure and in its meeting of 17.10.2017.

The conclusion is:

The project '*Environmental Assessment for Natural Resources Revitalization in Sopotvyno with an overarching view to preventing the further pollution of the Upper-Tisza Basin through the preparation of a complex monitoring system, REVITAL I*' contributes to the achievement of the targets and goals of the relevant actions in Priority Area 4 of the EU Strategy for the Danube Region.

Hence, the Steering Group - representing the Danube countries - invites the funding sources to consider providing adequate financial support to the project.
