

LETTER OF RECOMMENDATION

To whom it may concern

The Steering Group of the Priority Area 4 “To restore and maintain the quality of waters”, made up of representatives from the Danube Region countries (nominated by their governments), has pre-examined the project

***Sediment-quality Information, Monitoring and Assessment System to support transnational cooperation for joint Danube Basin water management
acronym: SIMONA***

in written procedure of 15.06.2016.

The conclusion is:

The project “Sediment-quality Information, Monitoring and Assessment System to support transnational cooperation for joint Danube Basin water management; acronym: SIMONA” contributes to achieve the targets and goals of the relevant actions in Priority Area 4 of the EU Strategy for the Danube Region.

Hence, the Steering Group - representing the Danube countries - invites the funding sources to consider providing adequate financial support to the project.
