

International Conference

Pharmaceuticals in the waters of the Danube Region - knowledge and best-practice sharing

7 DECEMBER 2021

ONLINE

AGENDA

Sessions:

1. Setting the scene
2. Challenges and opportunities in pharmaceutical industry
3. Challenges and opportunities in water management
4. Perspectives for upcoming years

Conference Language: English

Contacts: alena.kurecova@vuvh.sk
dana.vrablikova@vuvh.sk

VENUE

online

Organizers:

EUSDR, Priority Area 4 "To restore and maintain the quality of waters" in cooperation with the Water Policy Directorate of the Ministry of Environment of the Slovak Republic

This project is co-financed by the European Union.

Conference Goal:

Hazardous and emerging substances, including pharmaceuticals, is a hot topic resonating also in the Danube Region. The goal of the event is to create platform to share knowledge on pharmaceuticals and to search for solutions how to decrease the concentrations of harmful chemical substances in water in order to improve human health.
