

LETTER OF RECOMMENDATION

To whom it may concern

The Steering Group of the EUSDR Priority Area 4 "To restore and maintain the quality of waters", made up of representatives from the Danube Region countries (nominated by their governments), has pre-examined the project

"MacroPlastics in European Rivers: actual knowledge and future perspectives"

(acronym: MapRiverPlastic)

in written procedure in February 2022.

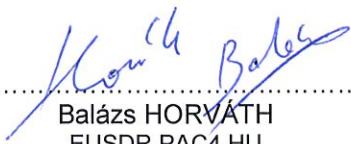

The conclusion is:

The project *"MacroPlastics in European Rivers: actual knowledge and future perspectives (MapRiverPlastic)"* contributes to achieve the targets and goals of the relevant actions in Priority Area 4 of the EU Strategy for the Danube Region.

Hence, the Steering Group - representing the Danube countries - invites the relevant funding sources to consider providing adequate financial support to the project.
