

## LETTER OF RECOMMENDATION

To whom it may concern

The Steering Group of the EUSDR Priority Area 4 "To restore and maintain the quality of waters", made up of representatives from the Danube Region countries (nominated by their governments), has pre-examined the project

***"Large scale demonstrations of active and passive restoration of WETlands and floodplains in DaNUBE river basin"***

***(acronym: WETNUBE)***

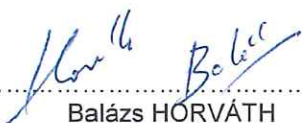

in written procedure in September 2022.

The conclusion is:

The project "WETNUBE – Large scale demonstrations of active and passive restoration of WETlands and floodplains in DaNUBE river basin" contributes to achieve the targets and goals of the relevant actions in Priority Area 4 of the EU Strategy for the Danube Region.

Hence, the Steering Group - representing the Danube countries - invites the relevant funding sources to consider providing adequate financial support to the project.
